II. Student Representatives Report
Sarah Martin reported that the girls’ varsity softball team is 4-0 and we now have a junior varsity team as well. Students will be returning from the field trip to France and Spain tonight, and the Advanced Placement testing begins in two weeks.

III. Chairperson’s Report
a. Public Hearing Comments
Joe Doering reported that the Board of Finance held steady at 2.98% at the Public Hearing. The current electrical rate was discussed. Susan Greco shared that we are locked in a contract until December 2017. Mr. Doering also shared that the Education Cost Sharing from the state may be reduced by $88,000.

b. Town Meeting
Joe Doering reviewed the slides for the PowerPoint presentation for the Town Meeting with the board members.

c. Efficiency Study
Dr. Mahoney and Susan Greco updated the list of recommendations from the efficiency study with comments and actions and distributed a copy to each board member. Susan Greco also distributed a copy of the 2014-2015 Capital Budget Sheet and the Five Year Capital Needs Project Inventory Sheet. The figures highlighted in blue on the Five Year Capital Needs Project Inventory sheet are actual quotes received.

IV. Superintendent’s Report
a. Student Enrollment
Dr. Mahoney reported 55 kindergarten students are currently enrolled for the 2016-17 school year.
b. Shared Resources Committee
Dr. Mahoney shared information discussed at the Shared Resources Committee (SRC) meetings she attended. Some of the topics included data requested by the committee and the need for major repairs such as roofs and parking lot repairs. Dr. Mahoney and Susan Greco will be meeting with Dave Wing in May to create a list of repairs. The next meeting of the SRC is April 21, 2016 at which time the committee will discuss possible strategies for sharing resources to realize cost savings. We already use many of the same vendors. Another topic discussed was whether the town should take over managing the school buildings and if so, what amount of money would be required to do so. More discussion is needed before a decision is made.

V. Committee Reports
a. Policy – We will have to postpone approving Policy 5131.911 until we have a quorum.
 b. Budget – Previously discussed.
c. Curriculum - Dr. Mahoney reported that another meeting will be scheduled later this spring.
d. Facilities – Previously discussed.

b. Approve Policy 5131.911- Postponed until the next board meeting on May 9, 2016.
c. Approve Field Trip
   Due to time constraint, Dr. Mahoney will approve the field trip on a preliminary basis so that the teachers and students can plan accordingly. A final approval will be made when a quorum is present.

VII. Comments from Visitors
Sharon Shepherd agrees that reiterating how many of the line items had to be flat lined to meet the 2.98% budget and the risks involved is something that needs to be addressed at the Town Meeting. Mrs. Shepherd would like to see the efficiency study updates posted on the website.

VII. Executive Session – Superintendent’s Evaluation
Postponed until the next board meeting on May 9, 2016.

VIII. Adjournment - Meeting adjourned at 8:34 p.m.

Respectfully submitted,

Lisa A. Kline
