IV. Superintendent’s Report

a. Schedule Community Forum

Dr. Mahoney reviewed topics of prior Community Forums and shared this year’s topic with board members. This year, we need to publicize to the community, especially the parents, the many opportunities we offer and help them to understand the ability for students to graduate high school with significant credentials and college credits that will render them college, career, and workforce ready. This year’s Community Forum will be held sometime during the first week of February.

b. Schedule Budget Committee Meeting – Budget Drivers

Dr. Mahoney would like to schedule a special budget committee meeting on January 8, 2018 at 6:00 p.m. prior to the regular board meeting to prepare for the BOF meeting on January 16, 2018. Sharon Shepherd asked Dr. Mahoney if she met with the administrators to gather their budget requests and if they prioritize their requests. Dr. Mahoney explained that she has met with the administrators and the requests are focused on obtaining resources to continue to support the work we are doing. Susan Greco reminded the board that the budget drivers have to be prepared for the BOF meeting on January 16, 2018.

Dr. Mahoney reported that she had a second meeting with Asnuntuck Community College and the administrators and counselors at Windsor Locks Public Schools regarding the high school partnership program. Eligible select high school junior and seniors can attend afternoon classes at ACC as a cohort for 2 years and earn credits that guarantees them acceptance to UCONN or any Connecticut state college or university. We need to inform parents that this is a great opportunity for students to earn free college credits. John Ziobro recalls that individuals with college experience are able to enter the military at a higher level than those without college experience; this would also benefit students who choose to enter the military after graduation. Sharon Shepherd would like to broaden the communities understanding of this wonderful opportunity for students and feels the Community Forum would be the perfect event. Dr. Mahoney shared that ACC/Windsor Locks Public Schools will be holding two parent information nights. Lastly, Dr. Mahoney reported that the Title IV Grant was submitted and the application for the RFP Choice Grant that may restore afterschool programs is due January 2018.

In the future, Dr. Mahoney would like to institute an AP CAPSTONE course. Sharon Shepherd asked if a list of courses is available online. Dr. Mahoney replied that the courses are listed in the Program of Studies which is available online and in print.

d. Facilities – Susan Greco reported that two heating fans needed to be replaced but they are covered under the maintenance contract; otherwise, there is nothing significant to report. VI. Recommended Actions

*MOTION:* a motion was made by Mr. Feeney, seconded by Mrs. Shepherd to approve the November 2017 Financial Report as presented. Susan Greco reviewed the summary report that can be located on the district website along with copies of previously approved monthly financial reports. Mrs. Greco commented that she is concerned about line #435 Repairs to Buildings as it has almost been used to 100% and the custodial supply line #612 is better than it was last year at this time. Mr. Ziobro inquired about the mold remediation projects at the Middle School and Carl Allgrove School and if the cause was rectified. Mrs. Greco explained what the projects involved and the solutions. Mr. Ziobro asked Mrs. Greco if she is confident that we will receive reimbursement from Hartford. Mrs. Greco replied that Hartford has a legal responsibility to pay and there has never been a problem in previous years. Mr. Ziobro asked when the money is expected to be paid. Mrs. Greco replied that we usually received it in June. Mrs. Shepherd recently attended a CABE Orientation for new board members and asked if Mrs. Greco uses the same system for finances that was presented at the orientation. Mrs. Greco replied that it is the same system, but it is condensed. *Motion approved unanimously.*

VIII. Agenda items for Future Meeting
   a. Budget
   b. CAPSTONE Project – Mr. Feeney would like to discuss the CAPSTONE Project. Mr. Feeney received feedback from parents concerned about the additional pressure it puts on students their senior year. Dr. Mahoney commented that it is not an agenda item, it is an administrative item. The CAPSTONE Project is state law and required for graduation. Students can complete the project any time prior to senior year. Regardless, Mr. Feeney would like to discuss the topic. He feels that parents are not aware of the particulars of the project. Dr. Mahoney reported that the CAPSTONE requirements are shared repeatedly with students and is described in the handbook that each student receives yearly.
