Dr. Mahoney replied that she did not anticipate discussing projected student enrollment tonight. Karey Pond withdrew her (seconded) motion. Item IIIa. II. Correspondence
Bob Ravens-Seger reviewed the content of the email he received from State Representative Tami Zawistowski regarding the status of the Medicaid Billing Mandate – School Based Health Program. Bob Ravens-Seger forwarded the email to all BOE members earlier. Representative Zawistowski negotiated an amendment that will effectively waive the Medicaid billing mandate for East Granby and other small districts. The bill is on the Senate calendar and is
likely to pass the Senate tonight or tomorrow. Several board members did not receive the email and asked Bob Ravens-Seger to resend it.

III. Chairperson's Report
Bob Ravens-Seger reported that a Shared Services Committee meeting was held today; preliminary discussion on how to incorporate recommendations to create efficiencies took place. Another meeting will be held prior to the next Board of Education (BOE) meeting. The committee is also looking to create a Shared Services Sub-Committee. Bob Paskiewicz asked if anything would impact the search for a new business manager. Bob Ravens-Seger replied that it could; it is in the early stages and there are certain statutory requirements. Bob Paskiewicz does not want this to delay Dr. Mahoney from being able to hire a new business manager. Bob Ravens-Seger responded that it will not delay the hiring process.

John Ziobro stated that he has not yet received the total cost of the Superintendent’s benefits/compensation from Dr. Mahoney as requested. Bob Ravens-Seger suggested discussing the matter when they reconvene the executive session that was held prior to tonight’s BOE regular meeting.

Jim Feeney is concerned about being audited. Susan Greco assured him that everything would be fine. R.D. Seymour School is a renovate as new and there were no issues. We were careful about what was and was not allowable at Carl Allgrove School. John Ziobro asked if the projects were complete and if there will be additional bills. Mrs. Greco replied that R.D. Seymour is complete but we could receive bills for Carl Allgrove. We are just closing the projects. Lastly, Mrs. Greco stated that a separate motion to close out the Central Office Administration Construction Project will also be required.

Families are attracted to East Granby because we are recognized as having one of the best school districts.

VI. Recommended Actions
a. **Approve April 2018 Financials**

Susan Greco reported that there were few changes in April and she closed the snow removal budget line and will transfer the remaining funds to repairs to buildings. Another $5,000 went towards roof repairs at the middle/high school and another $2,500 for a roof repair needed today. The repairs are predominately on the middle school roof. Mrs. Greco also recommended transferring $10,000 from the transportation line to repairs to buildings. The cost savings in transportation is due to student placement.

b. **Iceland Trip** - Jim Feeney would like to discuss the matter presented to the BOE involving the field trip to Iceland. Dr. Mahoney commented that it cannot be discussed in a public meeting. Bob Ravens-Seger shared that is was handled at the administrative level. John Ziobro would like to go into executive session to discuss the matter. Dr. Mahoney explained that although the matter was presented to the BOE, it is a management level issue and was resolved; she would need permission from the family to discuss the matter in their
presence in executive session. Seeing as the matter was presented to the BOE, Bob Paskiewicz asked if the BOE could respond to the family. Dr. Mahoney explained that not all matters presented to the BOE are handled at the board level. Jim Feeney asked when it would be appropriate to inform the board of what happened. John Welsh agrees that we need to get permission from the family. Lucia Ziobro suggested that board members do not respond to the family and have Dr. Mahoney ask the parents for permission to discuss the matter in executive session. Dr. Mahoney will consult with board counsel to get clarification. Bob Ravens-Seger is okay with knowing that Dr. Mahoney handled the matter. John Ziobro asked how much consulting with board counsel cost. Dr. Mahoney did not have that information available with her but she did comment that it is at a discounted municipal rate. John Welsh added that municipalities received a highly discounted rate and probably bill in 6 minutes increments. John Ziobro requested to add District Counsel Consultation Fees to the next agenda. John Welsh does not see the need to add the item to the agenda unless the BOE is going to discuss renewing the contract. John Ziobro asked Dr. Mahoney if he could receive a copy of the district counsel’s contract if requested.
