V. Chairperson’s Report

a. Carl Allgrove and Middle/High School Educational Building Specifications – Roger LaFleur

Roger LaFleur, project manager hired by the Town of East Granby for school and town projects, was present to answer any questions the board members may have regarding the educational specifications for the East Granby Middle/High School partial roof replacement project and the Carl Allgrove School roof replacement project. It is required that every state grant package include an Educational Building Specifications document. Roger LaFleur’s main objective for tonight is to answer any questions board members have and to approve the Educational Building Specifications documents so they can be stamped and certified by the superintendent and submitted with the grant application as required. Bob Ravens-Seger shared that it was recently determined that certain areas of the middle/high school roof are not eligible for replacement under the grant because they are not old enough. Roger LaFleur explained that parts of the roof that are under 20 years old are discounted per year off of the grant. Those parts of the roofs were tested by an architect and found to be in excellent condition with a 5-10 year life expectancy (5 years being conservative). The total middle/high school roof area is 117,115 s.f.; the portion associated with the partial roof replacement project is 93,289 s.f. Roger LaFleur reviewed the recommended specifications for roofs, what the new roofs will consist of, and the warranty. John Ziobro asked Bob Ravens-Seger to have the parts of the roof that leak at the middle/high school identified. Sharon Shepherd expressed her concern regarding roof pitch and drainage. Roger LaFleur explained that each section has an independent drain and the water will be distributed to the appropriate drain. Questions remained as to whether or not the sections of the roof not being replaced leaked and it was suggested to ask Dave Wing. John Welsh asked what the project cost is. Roger LaFleur shared that the estimated construction cost for the middle/high school is $2,686,000 and the estimated state reimbursement is $1,308,000. The estimated construction cost for Carl Allgrove School is $948,621 less an estimated state reimbursement cost of $430,000.

III. Board Elections

VI. Superintendent’s Report

a. 2019-2020 Budget Drivers

Dr. Charles shared copies of the 2019-2020 budget drivers and asked board members for their feedback before her presentation to the Board of Finance (BOF) at their January 15, 2019 meeting. Salaries are the major driver of the Board of Education (BOE) budget. Additional budget drivers include employee benefits, tuition for public and private schools, transportation costs, electricity, and repairs to buildings. Employee benefits are projected to be 16% of the budget. Tuition for public and private schools reflect 6% of the budget. The special education tuition is reduced for next year as we work to bring students

b. Budget – Previously discussed.

c. Curriculum – Nothing to report.

d. Facilities – John Ziobro asked if the heating issue at R.D. Seymour School was resolved. Dr. Charles replied that it was and that there was a heating concern at Carl Allgrove School this morning. Tradesman of New England had to be called to address a water problem in the art room. The boilers at the middle/high school are still an ongoing issue. Sherry Holmes met with Tradesman of New England to find out exactly what services are included in our agreement. Tradesman of New England will credit some of the invoices.

e. Negotiations – Negotiations for non-certified staff will be delayed possibly until spring.

f. Communications – Nothing to report.

VIII. Recommended Actions

a. Approve Carl Allgrove and Middle/High School Educational Building Specifications
   
   **MOTION:** a motion was made by Bob Ravens-Seger to approve the Carl Allgrove and Middle/High School Educational Building Specifications as presented. Sharon Shepherd does not see how the board can approve something that they do not have all the answers to. Bob Paskiewicz suggested seeing if the board will have enough votes to approve the Educational Building Specifications tonight. Dr. Charles shared that the board needs to make two separate motions. Bob Ravens-Seger withdrew his motion.

   **MOTION:** a motion was made by John Welsh, seconded by Bob Ravens-Seger to approve the Educational Building Specifications for Carl Allgrove School as presented. Lucia Ziobro is concerned about the language “The Board of Education plans to continue to utilize the Carl Allgrove School in their capacity for a minimum of 20 years.” Several board members explained that the wording is a requirement of the state grant. (FOR: Bob Paskiewicz, Bob Ravens-Seger, Sharon Shepherd, John Welsh, Karey, Pond, and Jim Feeney. ABSTAINED: John Ziobro and Lucia Ziobro. Motion approved.

   **MOTION:** a motion was made by Bob Ravens-Seger, seconded by John Ziobro to approve the Educational Building Specifications for the East Granby Middle/High School partial roof replacement as presented. (FOR: Bob

c. Approve December 2018 Financials

**MOTION:** a motion was made by Bob Ravens-Seger, seconded by Jim Feeney, to approve the December 2018 Financials as presented. Sherry Holmes provided an update on line items that are in the negative. Line item #250 Unemployment Payments continues to be in the negative. Line item #340 Data Processing is over due to the help from Tyler Technologies for Munis Payroll. Line item #421 Rubbish Removal is over due to summer trash pickups that were not budgeted for. Line item #435 Repairs to Buildings continues to be impacted significantly. We are still dealing with boiler issues at the middle/high school and waiting for the fire panel reimbursement in the amount of $23,722. Line item #530 Telephone – E-rate Money will be coming in to cover this overage. Line item #622 Electricity – As of January 1, 2019, the BOE and the town locked into a 24-month contract for electricity with CRCOG. Sherry Holmes also shared that Tyler Technologies assisted the business office with the calendar year-end process for the W-2’s and 1099’s and she met with eight noncertified staff members regarding the overpayment issue. She will meet with the rest of the affected noncertified staff on January 17, 2019. Jim Feeney asked Sherry Holmes for a list of larger expenditures she anticipates. Sherry Holmes continued by providing a list of recommended transfers. Recommendations include transferring $6,170 from Workers’ Compensation to Unemployment Payments; transferring $2,357 from Contracted Maintenance Service to Data Processing; transferring $446 from Water/Sewer to Rubbish Removal; transferring $897 from Postage to Telephone; and transferring $45,078 from Contracted Services to Repairs to Buildings. Sherry Holmes asked what line item(s) the board members would like to transfer money out of to cover the $73,400 electricity deficit. John Ziobro asked if the transfers would be enough for the year. Sherry Holmes replied that they will probably have to revisit them. **MOTION:** a motion was made by John Ziobro, seconded by Bob Ravens-Seger to approve the transfers as presented with the exception of electricity. **Motion approved unanimously.**

d. Approve Field Trip

Dr. Charles presented a field trip for grade 3 students to travel to Springfield Symphony Hall in Springfield, MA on April 30, 2019 to experience a live orchestra. Students will depart at approximately 8:45 a.m. and return at approximately 11:30 a.m. The cost is $8 and will be paid by the students. **MOTION:** a motion was made by Bob Ravens-Seger, seconded by Sharon Shepherd to approve the grade 3 field to Springfield Symphony Hall on April 30, 2019 as presented. **Motion approved unanimously.**
