RE: Board of Finance December 11, 2018 Meeting -
Cancellation
CC: Board of Finance Members

At its November 15, 2018 meeting, the Board of Finance voted to cancel its regular meeting scheduled for December 11, 2018 for lack of business on its agenda.

Should urgent business requiring the Board's attention surface before January, the chair may call a special meeting for that purpose. Otherwise the next regular Board meeting will be on January 15, 2019.
