   e. **Project Timeline Review** – as stated above
6. NEW BUSINESS

a. **Consider and Act Upon the Allgrove School Air Conditioning Project RFP** – Committee members and R LaFleur reviewed the proposals from four bidders: BVH Integrated Services, DiBattisto Associates LLC, Van Zelm Engineers, and Aztech Engineers Inc. Each proposal included three parts – Phase 1 Conditions Report, Option 1 Ductless Splits, and Option 2 two Rooftop Units. There was emphasis placed on whether the proposals accounted for the likely necessary structural analysis if Option 2 is chosen by the Committee. Of primary concern was whether such analysis is included as part of the proposals; and if not, how would that be addressed and paid for.

R LaFleur suggested that he and R Carlson conduct a scope and timeline review with the lowest bidder first. If that review did not meet the standards required by the Committee for the project, they would conduct a scope and timeline review with next highest bidder. This could be done in the next day or two and they would be prepared to report back to the Committee.

R Granger made a motion to authorize R LaFleur and R Carlson to conduct a scope and timeline review with the lowest bidder, and then other bidders if they deem it necessary in exercising their due diligence to the standards required by the Committee for the project. Seconded by B Ravens-Seger. **Motion Approved Unanimously.**

b. **Next Meeting Date** – April 30, 2020 at 6:30 pm.

c. **Approve Bills** – There was a list of bills reviewed for approval:

- Hartford Courant – cost to publish RFP $260.20
- Galasso – materials $247.71
- Barbara Marsele – Committee Clerk $75.00

M Malloy made a motion to approve all the bills as listed. Seconded by B Ravens-Seger. **Motion Approved Unanimously.**
