**II. Policy 6146 – Graduation Requirements**

The committee reviewed the revised Policy 6146 draft including the revised standards, the capstone project, and mastery learning. Additionally, the minimum requirements of two years in East Granby schools for transfer and home schooled students to be eligible for a diploma and a requirement for a World War II Veteran to have lived in the town for at least 50 consecutive years to receive their high school diploma was questioned.
