May 23, 2024

The virtual meeting was called to order by Marjorie Light at 5:30 pm.

Attendance:

- Present: Board Members Lisa Griffin and Amanda Cormier, as well as Marjorie Light, Director of Curriculum and Professional Development.
- Absent: Lynn Landolina and Whitney Burns

New Business

- Welcome
- Setting subcommittee calendar through the summer - Lisa Griffin will check with the other board members to see if they would like to have scheduled meetings in July and August, or if they prefer to only meet if a specific reason arises.

Old Business

- Teacher Evaluation - Whenever you are able, please share the summation bullets from [this memo](#) with the rest of the Board of Education
- Capstone - all students have completed their work for their Capstone graduation requirement.
- Curricula Schedule - after the budget is finalized, Marjorie will release a schedule of updates and revisions for various curricula in the district.

New Business

- Collaborative K-5 Reading - Three other towns have sought information on our new reading program, Savvas myView, K-5, with the hopes of implementing it in their own districts. We have worked with them with virtual Q&A sessions, as well as having our teachers generously volunteer to host other educators so they can see the program in action. Not only does this create goodwill between districts, we are hopeful we can share professional development and collaborative opportunities in the future.

Adjournment

There being no further business, the meeting was adjourned at 5:51 pm.
