

**East Granby Board of Education
Curriculum Subcommittee Meeting Minutes for
December 11, 2025**

Welcome: Marjorie Light called the meeting to order at 5:30 p.m.

Attendance: Present at the meeting were board members Amanda Cormier and Lisa Griffin, and Marjorie Light, Director of Curriculum & PD was also present.

Old Business:

- Scope and sequence progress update - faculty are submitting their scope and sequence documents to Marjorie, which will then be used for alignment, as well as become the basis for the district's curriculum website.
- District Website - as required by the CT legislation, our Board of education will fulfill the curriculum posting requirements, which will become effective on July 1, 2025.

New Business:

- Future calendar - PD needs - Marjorie reviewed the requirements for professional learning as set forth by the state. She explained how other districts set their yearly calendars, as well as the specifics of the requirements by the state to PDEC. She will meet with Superintendent Palmieri to discuss the upcoming calendar before the next board meeting.
- Curriculum updates - Marjorie reviewed the new courses being offered at the high school this year and shared plans to create additional career pathways for students for the coming school year.
- Book Challenge - Lisa Griffin and Marjorie Light shared the process set forth by the state for book challenges. Lisa explained how Brett Lowman did an excellent job leading the committee through the required steps and how the process unfolded.

Adjournment:

The meeting was adjourned at 5:55 p.m.
