

The Town of East Granby is committed to keeping our residents and employees as safe as possible at all times.

During the COVID-19 event, the Town Offices have been open for business via electronic means, drop box, telephone and emails but closed to in-person visits from the public. Effective July 6, 2020, the Town of East Granby will modify that policy and be open for appointments in addition to the other options listed above. If you cannot conduct your business via the Drop Box out front, US Mail or Online transaction, please call the specific department listed below.

You must make an appointment with the respective department, as doors will remain locked, and walk-ins are not allowed at this time. Anyone coming into Town Hall will be greeted at the designated door by a representative of the department they are seeing and MUST wear a mask per EO 7BB. Thank you for your patience and consideration.
