

Age 75+ Information Regarding Scheduling your COVID-19 Vaccine

There are currently several options for you to schedule your COVID 19 vaccine if you are 75+.

State of CT /CDC VAMS system

To register in the VAMS system you must first complete the enrollment form found here <https://dphsubmissions.ct.gov/OnlineVaccine> . Once submitted you should receive 2 emails the second of which allows you to click on a link and complete registration in the VAMS system. Please note you must have an email address to use the VAMS system. Additional information can be found on the following website <https://portal.ct.gov/Coronavirus/COVID-19-Vaccinations---VAMS-Support>.

Once registered in VAMS you can book appointments directly in the VAMS system or the East Granby Senior/Social Services department can assist you in booking local appointments throughout the Farmington Valley.

If you do not have an email or access to internet you may call the following number (877) 918-2224 Mondays through Fridays from 8:00 a.m. to 4:30 p.m. This option allows you to leave a call back number. A representative will call you back as soon as possible (please note current call back times are long). While they are looking to expand this program, currently this option is only booking appointments at the drive through location at Rentschler Field in East Hartford.
