

News from the East Granby Recycling Collection Center (RCC) 205 Turkey Hills Road, East Granby, CT 06026

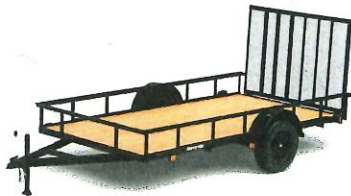

Beginning Aug. 1, 2024 the RCC will charge individuals for the disposal of their Bulky Waste. Bulky Waste is defined as building materials (no concrete), couches, chairs, etc. Bulky Waste fees must be paid at the time of disposal via cash, check, or credit card.

Residents must still purchase an annual Trash/Recycling Pass @ \$75.00 check or \$80.00 credit card.

Charging for an individual's Bulky Waste disposal is a further example of a way to defray operational costs at the RCC. This has been a practice in our neighboring towns for quite some time. Public Works did a survey of surrounding towns and our prices are in accordance with theirs.

Fees and guidelines are below.
