As proud Stewards of the Environment, Aquarion carefully protects the natural resources of more than 20,000 acres of land surrounding our Connecticut water sources. This gives us a special appreciation for the thousands of volunteers who tirelessly work to protect and improve the health of natural resources throughout the state.

Now we invite you to help honor those volunteers by submitting your nominations for the Aquarion Environmental Champion Awards. Awards will go to outstanding volunteers for their projects that have improved and protected Connecticut's air, water, soils, or plant and wildlife habitats.

Nomination Deadline: May 9, 2025
