

Don't Pass a School Bus!

Izzy K.

Hi! My name is Izzy, and I'm an East Granby Junior Girl Scout. I am working to earn a Bronze Award with a community service project. This is the highest award a Junior can earn.

My Project

Have you ever seen a car pass a stopped school bus? I noticed this and thought it was serious problem. I want to raise awareness and ensure kids' safety, while advocating for more protective CT laws about school busses.

Thank you!
