Subject: Application #22-06

We are strongly opposed to the development proposed in application #22-06. So many Connecticut towns wind up regretting their decision to follow the money and yet destroy the character of their town. East Granby is on the precipice of making this bad decision. We will attend the planning and zoning meeting on September 22 to voice our opposition.

Thank you,
Laurie Costa, Dave Archibald, Kyle Archibald
14 Hamilton Road
East Granby, Ct 06026
